CORRUPTION

“Corruption” includes bribery, fraud and other related offences

Source: Corrupt Practices and Other Related Offences Act, 2000

- **Corruption in Nigeria undermines democratic institutions, retards economic development and contributes to government instability**
- **Corruption attacks the foundation of democratic institutions** by distorting electoral processes, perverting the rule of law, and creating bureaucratic quagmires whose only reason for existence is the soliciting of bribes

BOARD GAMES

- Games are increasingly at the heart of the way we work, learn and play
- **Online:** Playing for Rights <http://www.amnesty.org.uk/resources/activity-great-escape>
- **Games cut through student boredom and disinterest**
- Offer learning in camouflage
- Games are great vehicles for “learning by doing” and can be an excellent way to test knowledge and reinforce practical skills
- Amnesty International created a simple board game to educate youth on human rights – with players becoming groups of refugees planning their escape to freedom
- **The only equipment needed was print-outs of playing cards on A3 paper, a watch, crayons and pens**
